## TERM DATES

We split the year into 12 week terms for preschoolers, which start 2 weeks before the school term, and end with the school term:

Term 1: January 16th - April 9th

Term 2: April 11th - July 2nd

Term 3: July 3rd - September 24th

Term 4: September 25th - December 17th

# OUR PROGRAMS

Little Monkeys is a fun and entertaining program designed to introduce preschoolers to circus skills and movement. Each class goes for 45 mins. Using level cards, it is ensured that students are learning appropriate skills for their ability.

The program is designed to introduce children to basic circus skills such as juggling, balancing, tumbling, and more. Additionally, the program incorporates animals into the activities to help engage the children with the cirque.

Little Monkeys is a great way for preschoolers to experience the world of cirque in a safe and fun environment, whilst also developing their confidence and social skills.

Tumbletown is an acrobatics program pitched at preschoolers. It uses level cards, along with stories about travel to introduce preschoolers to basic acrobatics skills, ensuring they have a safe and solid foundation to their tumbling. Each class goes for 45 mins.

Come join Flippy the fox, as we travel around the world and stop off at amazing places like Europe, Africa, China and more. Toddlers will love working on gross motor skills and school readiness alongside safe tumbling skills in a fun, nurturing and educational environment.

TumbleTown helps kids step out of their comfort zone and go on an adventure like no other. Start your engines and join Flippy to watch your kids grow, learn and have fun!

# FAQs

## **What does my child need to wear/bring?**

Students will need to wear a Vibz or a Ready Set Dance uniform (if they do their Little Monkeys or Tumbletown class immediately before a Ready Set Dance Class) for their class.

Both programs are done with bare feet (which allows students to grip and balance better), and it is recommended that they bring a drink bottle of water to stay hydrated throughout the class.

## **If we miss a class can it be made up on another day of the week?**

Yes. If you miss a lesson, you can make up with a class in the same week, or later in the term, providing the class is not full. Please note all makeup classes must be done in the same term as the originally missed class.

## **Are your teachers qualified?**

Yes. All teachers have a valid working with children check, and have done training followed by accreditation to teach the programs.

## **Can I watch my child's class?**

In our experience preschoolers are able to concentrate better without the distraction of other noise in the room from parents and other siblings. As preschoolers participate in classes they have the opportunity to develop additional secure attachments with adults (teachers) and peers. This helps them transition positively into the larger world and helps with school readiness.
