OUR PROGRAMS

Flex ability is a strength, mobility and flexibility class for school aged kids. It focuses on teaching students about their bodies so that they are able to safely develop these skills not just in their flex ability class, but also their other classes.

The program has been developed with the Injury Prevention Alliance to promote safe stretching and strengthening practises. Students work through level cards with ability appropriate skills to ensure the class is a non-competitive environment.

Students will learn whilst developing their skills and making new friends!

OUR PROGRAMS

Dance Cirque is a circus skills program for school aged kids. The class is structured as a circuit where students are able to work on various circus skills, including juggling, hula hoops, silks and lyra all under the watchful eye of our qualified teachers.

Each student is able to progress at their own pace by working through level cards for each apparatus, ensuring that they are only doing safe and ability appropriate skills.

This allows students to safely learn whilst having fun, building lifelong friendships as well as developing their strength, fitness and coordination.

FAQS

What does my child need to wear/bring?

Students will need to wear a Vibz uniform for their class. Both programs are done with bare feet (which allows students to grip and balance better), and it is recommended that they bring a drink bottle of water to stay hydrated throughout the class.

If we miss a class can it be made up on another day of the week?

Yes. If you miss a lesson, you can make up with a class in the same week, or later in the term, providing the class is not full. Please note all makeup classes must be done in the same term as the originally missed class.

Are your teachers qualified?

Yes. All teachers have a valid working with children check, and have done training followed by accreditation to teach the programs.

Can I watch my child's class?

You are able to sit in for your child's trial lesson, however after that we ask that parents are not in the room during class.

Do you take Creative and Active Kids Vouchers?

Yes! Send your voucher(s) to admin@vibzstudio.me, and they will count towards your fees.
